Technical Data Sheet (HTNQ-MP07-MF02)

Inspection standards: HTNT-TSP-008

Product Description

EONBON Kinesiology Tape

Adhesion Properties

Initial adhesion (mm) 0-120

180° Peel Adhesion (immediate) N/inch 3.0-12.0

Continuous adhesion performance (mm/30min) ≤ 2.5

Performance

Elasticity ratio 1:1.5-1:2.1

Retraction rate $\leq 10\%$

Waterproof rating 3-4

Product data

Product width (mm/roll) 50 ± 1.0

Product length (m/roll) ≥ 5

Product diameter (mm) 67.0-71.0

Product colour difference, corrugated shape according to customer's custom requirements

****Test results are based on customer requirements for customised products**
